

PROCESS SYSTEMS

PHARMA & BIOTECH

BIOPUREMAX
Bringing Technology to Pharmaceutical Water

Biopuremax Specialites

- 01 Sterile & aseptic production
- 02 Cultivated food production
- 03 Process tanks
- 04 Reactor tanks
- 05 CIP/SIP skids
- 06 OFA systems
- 07 Gas systems
- 08 PW/WFI water systems
- 09 Ultrafiltration Systems

30 YEARS OF EXPERTISE

Design • Supply • Installation • Validation

Design-Build Process Systems

Production of Biopharmaceutical Solutions

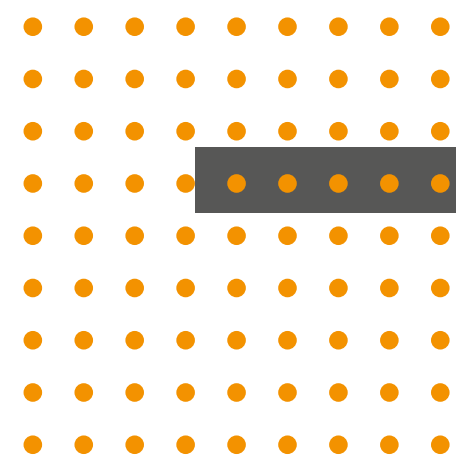

Biopharmaceutical Injectable Systems

Power Induction

Biopharmaceutical Systems

UF/TFF Systems

Protein Processing and Buffer Preparation

Computerized Biopharmaceutical Systems

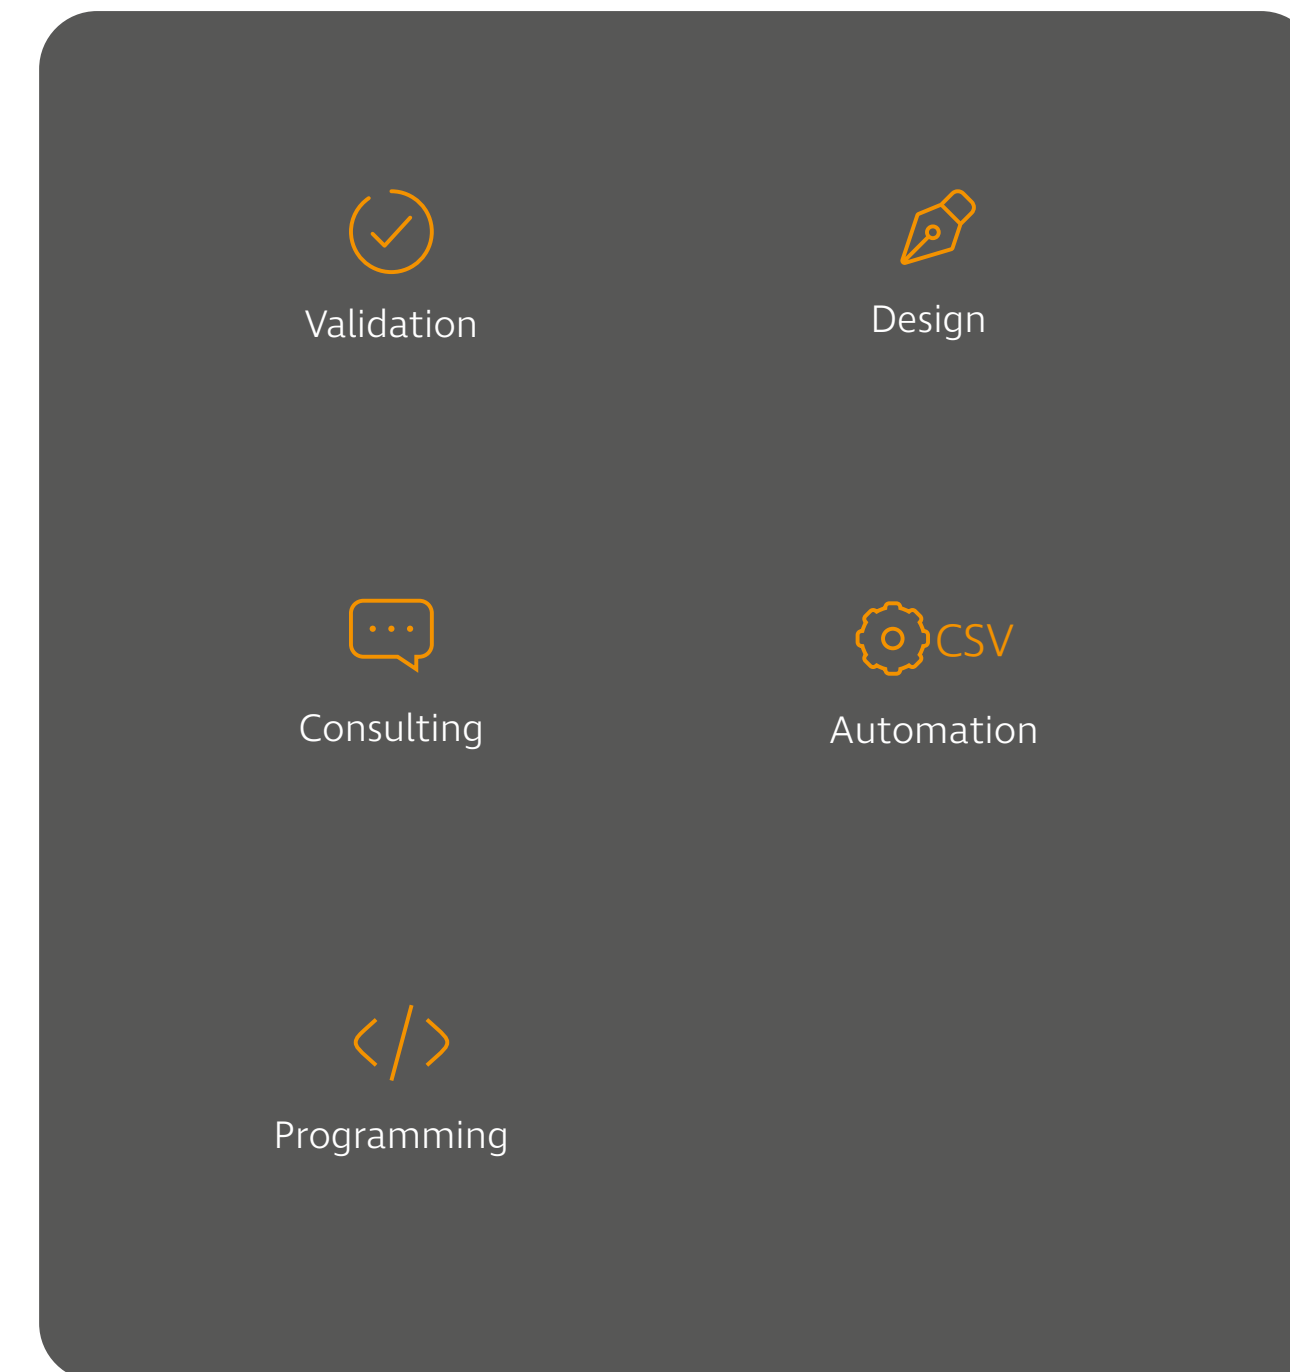

SIP/CIP Systems

Elevate your efficiency with Biopuremax

-  Cost-saving maintenance solutions
-  Reliable systems
-  Reduced labor hours
-  Zero contamination
-  No unplanned downtime
-  Exceptional after-sale support
-  Cutting-edge computerized systems
